OUR PHILOSOPHY

WHY WE DO IT

An event for everyone. The BC Elementary School Track & Field Championships is hosted by Kajaks Track & Field Club with the purpose of providing a fun and safe competitive experience for grade 3-7 athletes of all abilities. We welcome elementary school aged athletes (ages 9-13) whether they are new or experienced to the sport of Track & Field; or whether they represent a participating school, or not. Anyone can register. No prior qualifying events are necessary. There is also a Track Rascals race for 8 years and younger crowd on Saturday.

ETIQUETTE & CONDUCT

WE WANT THIS TO BE A SPECIAL WEEKEND FOR ALL

The BC Elementary Track & Field Championships will abide by the [BC Athletics Codes of Conduct](#). It is expected that all participants: Athletes, Coaches, Officials, Spectators and Parents abide by the applicable codes of conduct and treat everyone involved in our event in a respectful manner. Failure to do so may result in expulsion from the competition venue in addition to other actions by the organizing committee. **This meet is Volunteer powered, so be sure to thank one of our BC Athletics Officials, and our orange-shirted #KajaksFam volunteers.**

ENTRIES INFO.

WHAT YOU NEED TO KNOW AFTER YOU REGISTER FOR THE EVENT.

Accepted Entries:

Entries are done by Year of Birth (YOB). Athletes may only enter events in their own age category. Please see the [BC Athletics Technical Specifications Manual](#) for technical specifications by age. **There is NO provision for athletes to compete in events below their age division.** Where an event is not offered, they may enter in the next highest category if that category is noted for the age/gender in the BC Athletics Technical Specifications.

Changes:

Changes that are requested due to registration issues may be accommodated if doing so will not impact the event. Registration issues will be examined case by case with no guarantee of change at the registration desk inside the arena starting Friday May 24th.

Event Seeding:

Athletes are eligible to include seed times in their online registration process for sprints events. There is no guarantee that seeded times will be used to set the lane placement or heat of athletes although efforts will be made to do so. All lane assignments are final as posted on the event heat sheets. We will attempt to ensure all the athletes from one school do not run in the same heat. The volume of entries in each age category will ultimately determine our ability to do that. There is seeding in the distance events where more than one heat is necessary. Seed times should be from races run this season, if possible.

Bibs/Competitor Numbers:

Each athlete will have a Bib/Competition number. Numbers must be worn on the front for all individual events. Relays will be run without competitor numbers for athletes running the first, second and third leg of the relay. The final leg runner must have their competition number. It is assumed that team members will be wearing team shirts/uniforms.

We thank New Balance Richmond for their generous sponsorship of our event, please note the discount code on the back of athletes' competition bib and consider visiting their store.

COMPETITION INFO.

WHAT YOU NEED TO KNOW ON COMPETITION DAY

Schedule of Events:

The meet will provide a **TENTATIVE** schedule of events for the meet to be posted online at www.kajaks.ca/bcec. A **FINAL** schedule will be posted 8:00 PM Wednesday May 22nd. Please note we will make every effort to run on schedule and, if time permits, the meet will run no more than 20 minutes ahead of schedule.

☐ Rain: The meet will go on as planned Rain or Shine. For safety, rain may cause the High Jump to move indoors to the arena. If this is the case, some High Jump events may need to be moved later or to the next day.

Heat Sheets:

Heat sheets will be made available at the park on the north wall of the grandstand or inside the Arena in case of rain. Updated heat sheets will be posted in these areas each day of competition.

Results:

Results will be posted online at www.kajaks.ca/bcec after the completion of each competition day. Results will also be posted in the Arena or online at 30min - 45min after the completion of an event barring any protests. Final Combined results will be posted online at www.kajaks.ca/bcec after the completion of the entire event on Sunday.

Protests:

Protests must be submitted in writing using the Official Meet Protest Form (see: APPENDIX C) to the Meet Director and the JURY OF APPEAL within 30 minutes from the posting of the results of the event in question. A \$25.00 protest fee is to accompany all protests. If the protest is upheld, the protest fee will be returned. Protests can only be submitted by a team or club coach. For unattached athletes, or athletes who do not have a coach present at the meet, parents may submit a protest. Violation of this rule will result in the protest not being accepted.

Jury of Appeals:

A jury of appeal consisting of three competent and qualified persons will be available for decisions arising from protests. All Jury of appeal decisions are final

Event Specifications:

For a complete list of event specifications (hurdle heights, implement weights etc...) please consult the [BC Event Technical Specifications](#). [Appendix A – page 14 / Appendix B – page 15].

Event Check in: It is recommended that all coaches, parents and athletes arrive at the meet no less than 1 hour before the scheduled start of their event.

All athletes will be called to check in by the announcer. Athletes will receive 1st, 2nd and Final calls, so please listen carefully to all announcements. Athletes will be called by their gender, year of birth and event.

Athletes must have their competition numbers/bibs upon check in. No exceptions.

Field Events: Athletes competing in all field events will be called to check-in at the site of their event (example: long jumpers will check in at the long jump pits).

Example: "This is the second call for Boys 2012 Shot Put. Please make your way to Collier Throws Centre for your event to check in."

Coaches and Parents may accompany their athletes to Field check in.

Marshalling Track & Relay Events:

Athletes competing in all track events will be called to the check-in at the marshalling tent located on the south end infield of the track.

Example: "This is the first call for Girls 2015 60m race. Please make your way to the marshalling tent to check in for your event."

Coaches and Parents may escort their athletes to the Marshalling tent.

After athletes check in at the marshalling tent, they are required to remain in the marshalling area prior to the start of their event. Parents and Coaches may assist with their athletes in the marshalling area.

Relay events will follow the same check-in procedure as track events. Please be sure that all relay team members are present at check-in.

Meet Marshals will escort athletes to the start line for their event prior to the start of their event heat.

PLEASE NOTE: When athletes are marshalled (marched) to their event, PARENTS AND COACHES MAY NOT ACCOMPANY THEIR ATHLETES FROM THE MARSHALLING AREA, PLEASE MOVE AWAY FROM THE INFIELD TO A SAFE VIEWING AREA.

Do not send your athlete to the marshalling tent unless they are called by the announcer. They will be sent away to prevent overcrowding.

Be sure that athletes have their competition number with them at the marshalling tent. They will not be able to check in without it.

In addition to having their competition number with them, athletes should be warmed up and ready to run. Hats, jackets, sweats can be worn until the starter gives the command "Hats off." After your race, please return immediately to claim your clothing.

Announcers may be difficult to hear if you are away from the main track area.

It is the responsibility of athletes and coaches to be paying attention to what events are currently running on the track and in the field so athletes are able to report to marshalling when called.

Conflicting Events: Due to the volume of entries, Track events will not be delayed. In cases where track events and field events are in conflict (going at the same time), athletes are asked to check in at their field and track event. Then, return to your field event and continue competing. Have someone from your team or family monitor the progress of the races and then come back and get you in time for your race. After your race, return immediately to your field event. If you return after the end of a round and the next round has started, any missed attempts from previous round(s) will not be made up. If the event is over, the event is over. Please plan and prepare accordingly.

Missed Events: Athletes and coaches are reminded that there will be no refunds for athletes who miss their event(s). No exceptions.

Correct Technique: For their own safety, it is strongly recommended that athletes know the correct technique before entering technically complex events like field events or hurdles. Coaches and athletes are encouraged to contact a local track & field club if they have questions. To find the nearest club please head over to the [BC Athletics Club Finder](#).

Track Events: All Track events will take place on Clement Track. **All Track events will be run as Timed Finals.**

Prior to the start of the race athletes will be given instructions by the meet starters. Once instructions have been given, athletes will be asked to remove any sweats, hats or warm-ups and ready themselves for the race.

Starter Info: The Starter will give 3 commands to start the race:

“On your marks.....Set.....Bang”

Starting Blocks: Blocks will not be used for any Track events. No exceptions will be made.

- Other Relays: All other relays will be run as single gender, single age category events.

Field Events (Jumps): Announcers may be difficult to hear if you are away from the main track area. It is the responsibility of athletes and coaches to be paying attention to what events are currently running on the track and in the field so athletes are able to report to marshalling when called.

Horizontal jumping events (Long Jump) will take place on the long jump runway located to the west of Clement Track, close to the Minoru Centre for Active Living.
