#BCEC55

GENERAL REMINDERS

- a. PLEASE NOTE THIS IS A TENTATIVE SCHEDULE. Final Schedule will be posted online at www.kajaks.ca/bcec and the registration site, plus emailed to registered athlete email addresses after registration closes.
- b. It is recommended that athletes arrive at Clement Track (Minoru Park) at least 1 HOUR before the scheduled start of their event.
- c. If time permits, the meet may run ahead of schedule. If this occurs, the meet will run no more than 20 minutes ahead.

TRACK EVENT REMINDERS

- a. Athletes will be called to the marshalling tent prior to the start of their event by the meet announcer. Each event will receive a First, Second and Final call. Please listen carefully for your event to be called. NOTE: Announcer may be difficult to hear if you are away from the main track area - it is the responsibility of the athlete to be paying attention to what events are currently running on the track and to report to marshalling tent when you are called.

FIELD EVENT REMINDERS

- a. Field Event athletes are asked to please check in at their event. Athletes should plan to be at their event 20 minutes prior to the scheduled start of their event.
- b. Athletes will be called to check in for their events by the meet announcer. Please listen carefully for their event to be called.
- c. THROWS & HORIZONTAL JUMPS: All athletes competing in the throws and horizontal jumps events will receive 1 practice attempt (in order) and 3 competition attempts. Athletes, Coaches, and parents are reminded that there are minimum standards for measurement. Athletes will be allowed 1 (one) legal attempt under the minimum standard. In the Long Jump event, a minimum distance will be enforced. If an athlete does not reach or surpass the minimum distance in their first 2 attempts, officials will mark the 3rd legal attempt even if it is below the minimum standard. All other attempts below standard will not be measured.
Please see the minimum distances for each age group and gender in Information Packet, page 8.
- d. SHOT PUT. For safety reasons, proper technique will be monitored at field events. Specifically, athletes entered in the Shot Put are reminded that the shot (implement) cannot come away from the athlete's neck during the throw. The implement (shot) must be pushed/put from the neck.

- e. HIGH JUMP. This meet will be utilizing 2 high jump pits. This will allow for the meet to run more than one high jump competition at a time or split large groups into two pits.
